Extended Lifetime Warranty

Your Alwaysfresh system limited warranty can be extended one year if system is maintained per instruction manual. Simply change your Alwaysfresh system cartridge at least annually as recommended by Waterline Technology and the balance of your system warranty will be extended for 12 months. Waterline suggests that you replace your cartridge at end of life or one year whichever occurs first.

Proof of purchase under this extended warranty is your responsibility. Waterline will mail you a reminder letter every 11 months to assist you with this maintenance. If you purchase directly from Waterline we will update your records accordingly. **ACDP Enrolled Customers proof of purchase is updated automatically with each cartridge delivery.**

This extended warranty covers the permanent head assembly, fittings and dispensing faucet (if purchased from Waterline)but is subject to the faucet manufacturer's warranty. In the event any of these parts fail within the extended warranty period Waterline will repair or replace the parts at no charge.

NOTE: Parts only no labor warranty is included.
